

PADDLE TEAM VOLUNTEER AGREEMENT

Volunteer,

Thank you for your interest in volunteering with the CSWC’s program that involves working with community members and groups. We ask that you submit an application for the Portland Parks & Recreation background check. Your volunteer position with Columbia Slough Watershed Council (CSWC) is conditional based upon a successful completion of a criminal background check which includes an Oregon State Judicial Network (OJIN) and Criminal Records Information Systems (CRIS) history inquiry.

CSWC staff will inform you once you have been cleared for the position. If the check reveals a criminal conviction involving violent offense, sex offense, or other offense involving a minor you will be unable to volunteer for CSWC. Results of your criminal background check will be kept strictly confidential. Only the Volunteer Coordinator and the Executive Director will have access to your criminal background check results.

Only criminal convictions listed above will be considered in determining your acceptance for this volunteer position. Falsifying information submitted on CSWC application materials may be cause for non-selection. If you are convicted of any criminal offenses in violation of this Agreement any time after being cleared, you must contact CSWC immediately and relinquish your position.

Regards,

/s/ Heather King

Executive Director
